

## **Practical Conservation of the Non-Conformist Burial Ground**

**Friday 3<sup>rd</sup> December and Saturday 4 December 2021**

Led by The Wildlife Works - Rory Hart. 10 years as environmental contractor working on archaeological sites.

**Start Time 13.00** at the Village Hall.

- Introduction
- Safe working and use of tools.
- Practical work on the site of the burial ground (a short walk from the village hall).
- Indoor session discussing how to manage the burial ground as a historic site but also as a habitat for wildlife.

No strenuous work involved but participants will need to bring their own tools. List sent when places booked.
