

Castle Acre – The Past is All Around Us

Installation of Owl, Swift and Martin nest boxes

December 2021

Installation of Swift, Swallow, House Martin and Owl boxes to encourage these amber list species to nest and hence increase their populations.

Advice about the different type of boxes from the Nar Valley Ornithological Society.

WANTED!

Householders and owners of buildings willing to have nest boxes installed and persons with ladder insurance willing to install them. Contact the Project Manager at anne.providence@outlook.com
