

Interpretation of the Historic Landscape from old maps

Friday 29 April 2022 10.30 -13.00

Led by Anne Mason, Project Manager

Meet in the village hall

Workshop will comprise of comparing 18th and 19th century maps with the current OS maps.

Using the results of the Friday April 29 workshop, we will visit locations around the village to see what remains 'on the ground' and record any surviving features on the following dates:

10 May 17.00 to 20.00

7 June 17.00 to 20.00

2 August 17.00 to 20.00

On each of these dates, indoor short meeting and then outdoors.
