

Finds identification from Test Pits and molehills

Sunday 10 July 10.00 to 16.00

Meet at the village hall at 10.00

Led by Finds Experts and Anne Mason, Project Manager

Examining the finds from both the test pits excavations on 2 and 3 July and both molehill investigations 13/14 February and 29 April with the recognition and identification of archaeological deposits and artefacts and the drafting of archaeological reports.

It is a legal requirement that all finds are deposited with the Museums Service, Norfolk County Council, together with a report on the investigation.
